Categorised: Covid-19 Statement

As the world confronts the challenges of the COVID-19 pandemic, today we are announcing the 19th Asian Battery Conference and Exhibition (19ABC) will be rescheduled to 2 – 5 November 2021 from its original publicised dates of August 31 – September 3 2021. With the concerns over the coronavirus (COVID-19), and considering the well-being of attendees, partners and staff as the number one priority, 19ABC has decided to reschedule the event. Our aim with the change of date is to deliver the event in its usual live format.

The 19ABC will be held at the Borneo Convention Centre Kuching, Sarawak, Malaysia. Immediately prior to 19ABC, the 7th International Secondary Lead Conference will take place.

Organisers are continually monitoring the situation, and in the event, Covid-19 continues to be a global health concern and continues to disrupt international travel we will take the necessary action to ensure the safety of attendees remains our priority.

Notes on Participation

1. Exhibitors and sponsors can continue to reserve exhibition space at the event. Organisers will reserve preferred booth positions and sponsorship packages and send formal confirmations and invoices only once certain Covid-19 will not cause the requirement to totally cancel the event.
2. Call for Papers will open in December 2020

End/.
